Healthy muscles**

Regenerating Bio Stimulation

- Non-invasive
- Safe
- Compact
- Easy to carry

- **Space technologies adopted for our everyday live**
- **Initially was developed and used for astronaut rehabilitation in USSR**

Works on a natural muscle frequency and has prolonged effect.

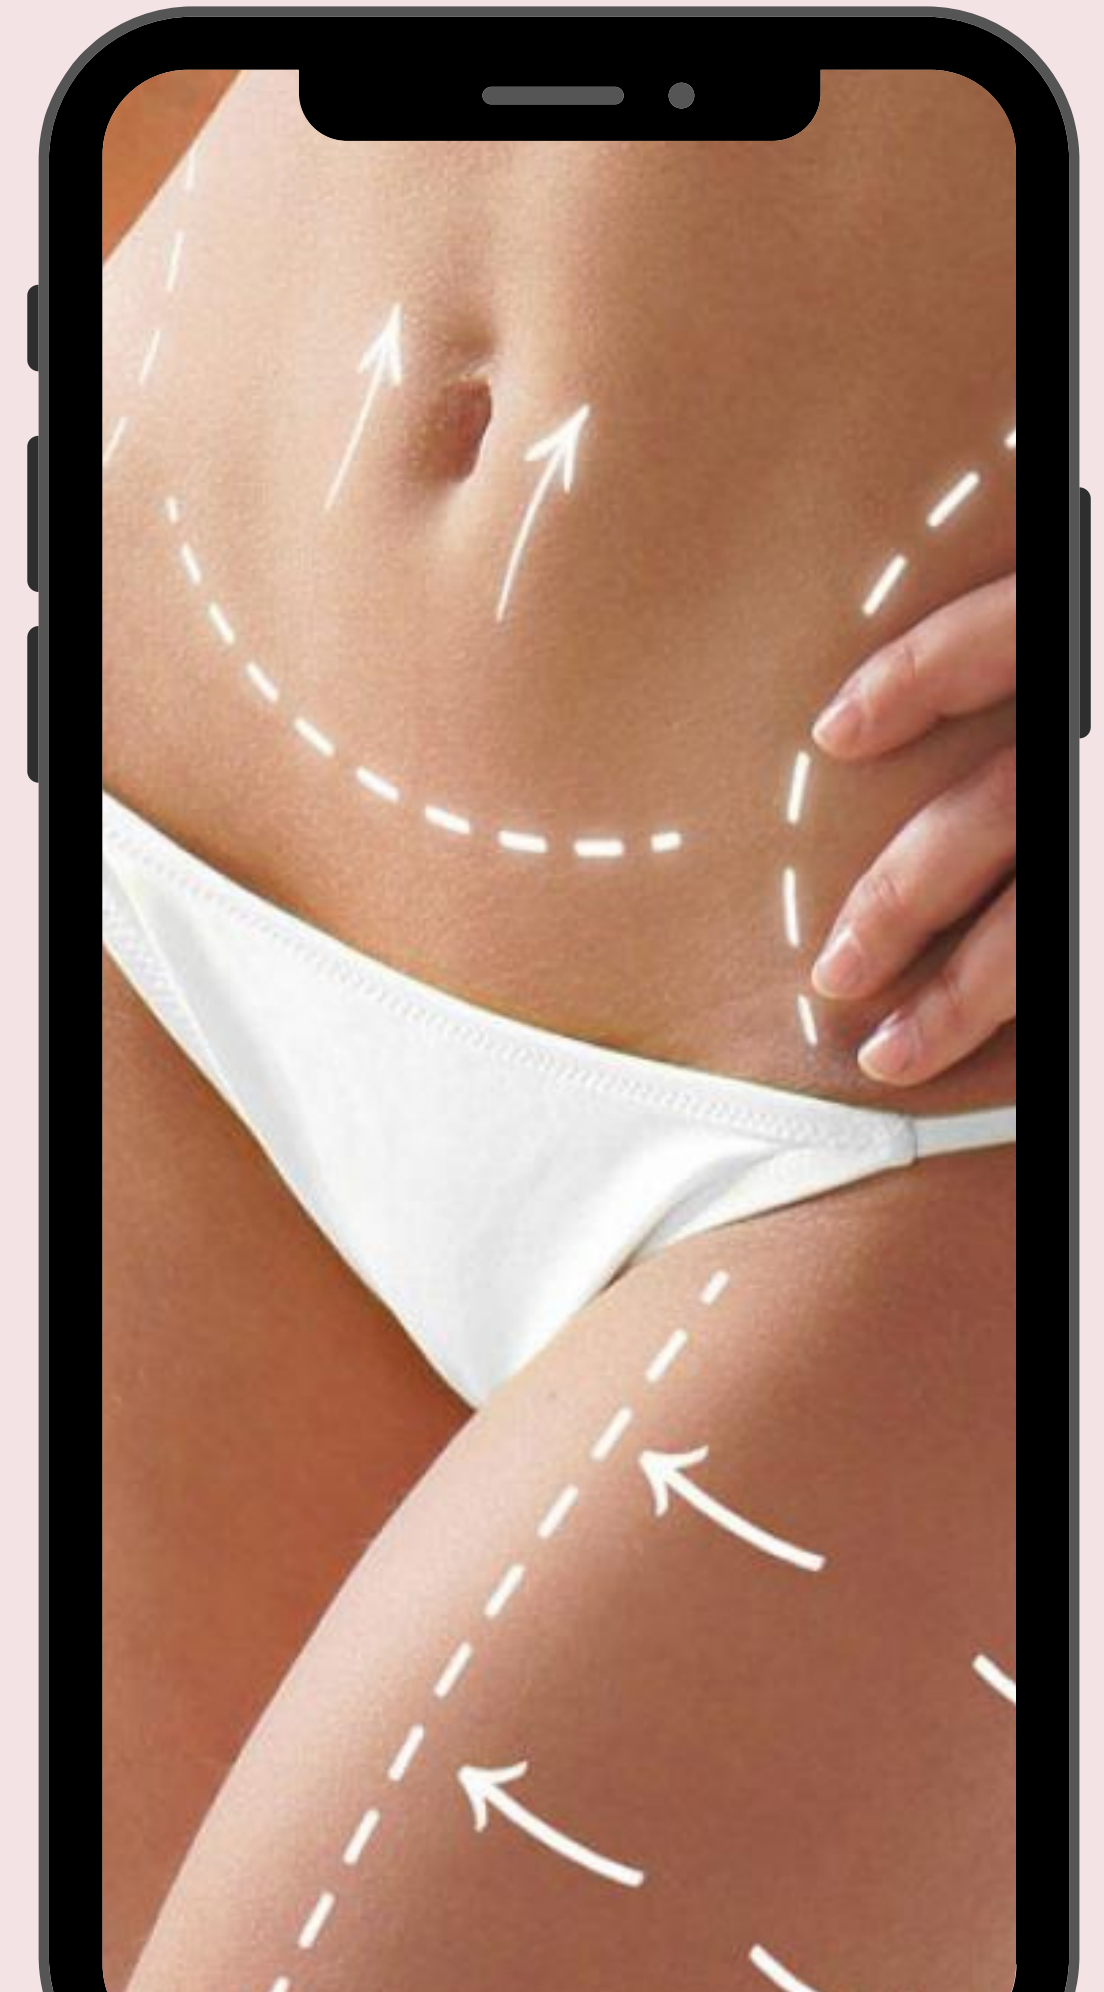

- Unlike standard percussion and other massage devices, ***ReBiStim*** has ***stand apart vibration implementation principal.***
- Natural segmented radial vibration, that relaxes muscles and soft tissues, helps blood flow and lymph movement.

- Suitable for the whole body.
- Can be used for small and large muscles.
- Very effective for natural lifting and rejuvenating.
- Freshening up and an anti age effect for the face.

ReBiStim helps prolong natural beauty, sufficiently ***postpone*** or ***avoid need*** in ***cosmetic surgery***.

ReBiStim can be used as a consumer device *at home*, and as a professional device *for providing services*.

Effective for:

- Cosmetology
- Sports
- Fitness
- Rehabilitation
- Professional and home application
- Pain relief
